## **Contract & Order Form for Custom Arrangement**

Adam Reimnitz will provide a custom arrangement, with requested specifics, for the following:

- 1 song or 2-3 song medley will cost \$350 (USD) plus the clearance fee of \$60
- Additional songs in a medley will cost an additional \$50 per song
- If song is in Public Domain, the \$60 clearance fee will be waived
- Expect 2-4 months for arrangement; to place on a "rush" please add \$150 to initial payment and total. In the case of a "rush" order, you will be put to the top of my queue list and delivery date will be agreed upon by both parties.

Required upfront with request of an arrangement:

- Signed and dated contract with any specific details listed
- Minimum of half of arranger's fee (\$175)
- Clearance fee of \$60, unless waived because of PD
- If applicable, "rush" fee of \$150

Once the above is received, your arrangement is put into my queue (unless a "rush" fee is paid) and you will be contacted to discuss the specifics of said arrangement. Upon completion of arrangement, the remaining fee of \$175 is required within 30 days:

After receiving the final payment, the following will hold true:

- I will not sell your arrangement to another group within 1 year of **your receipt of the chart**; not when you choose to learn and sing it.
- Additional months of exclusiveness will cost \$25/month (for which you will also be invoiced)
- If unhappy with finished product and/or refusal of payment, I reserve the right to sell the arrangement to other groups based on my judgement. Initial payment to begin work is non-refundable.
